PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED APPLICATION

The Applicant herewith petitions the Commissioner of Patents and Trademarks to revive the above identified patent application under rule 1.137(b). The entire delay in providing the required notice of rescission from the due date of the notice of rescission until the filing of a grantable petition pursuant to rule 1.137(b) was unintentional.

21

The application became abandoned on Aug. 23, 2004, when applicant failed to submit a rescission of previous nonpublication request (35 U.S.C. 122(b)(2)(b)(ii)) and Notice of foreign filing (35 U.S.C. 122(b)(2)(b)(iii)). Applicant filed a PCT application in US receiving office on July 8, 2004 (PCT/US 0422592) wherein the invention disclosed in the above identified patent application was disclosed.

26

A petition fee of \$750 is required. Please charge deposit account number 08/2240. Any deficiency or overpayment with regard to this communication should be charged or credited to deposit account number 08/2240.

Docket No 903-006B serial No. 10/775313 Inventor Marc David Levenson, , , ,
Photosensitive material for immersion photolithography-Filing date February 10, 2004,

1

1 A rescission of a previous nonpublication request for the above identified application is submitted herewith.

The above identified application was allowed in a supplemental notice of allowance on 1/18/2004, and the completed issue fee form is submitted herewith, along with deposit account authorization to cover the issue fee.
